

Dear students,

I hope you are all doing fine under these difficult circumstances!

Make the best of this time and don't just waste it with watching silly youtube videos or playing games!

Here are my tasks for you this week:

-Continue to work with your Finale- material (ZP-Prüfungsvorbereitungen)

- If you watch English films or TV series on your computer, please try to watch them in the original version with subtitles.

-Search the web for information about Ireland.

-Write an Email (in English) to a pen-friend who lives in another country about your first week during the Corona-crisis.

The mail should answer the following questions:

- a) How do you feel about the crisis? Are you scared or even in panic?
- b) How does it affect (beeinflussen) your life and your future plans?
- c) What has changed for you in the interaction with people?
- d) Do you still see your friends?
- e) How much time (honestly) do you spend with learning and doing tasks?
- f) What do you know about the situation in other countries?
- g) What do you hope for the days and weeks to come?

The mail should be at least one DIN A4 page long. You can either print it and bring it to school after the holiday OR send it to my email Ehrhardt@peter-ustinov-realschule.de beforehand and I will correct it for you.

Try to only look up single words in order to train your own writing skills. Don't just use translation-apps.

Stay healthy,

Yours Mr. Ehrhardt
