

7d's favourite solutions from corona-days before the Easter holidays and tasks for 5th May to 15th May

Hi everybody,

sorry that there was nothing new for you after the holidays.
I was VERY busy organizing the school – but now let's go
back to work.

So – what about the solutions to my questions for the youtube film

<https://www.youtube.com/watch?v=OMuZpC-eQMY>

About 1 million people live in Ottawa.

The city Ottawa was founded in 1855.

You can go "on it" by boat in summer and ice-skating in winter: that's the Rideau Canal

Canada Day is celebrated on 1st July – it celebrates the country.

You can see dinosaurs (their bones) in the Canadian Museum of Nature.

If you are looking for an adventure you can make a whitewater rafter tour on the Ottawa River.
